- ▶ **Greek language**, 10 hours: in Paphos, Cyprus.

PARTICIPANTS' TRAINING PROGRAM – STREAM 2

- ▶ **PEDAGOGICAL TRAINING in school** – with Prof. Vlăduț Lăcrămioara and Prof. Dedu Monica
- ▶ **CULTURAL TRAINING in school** with Prof. Mihaela Antofie.
- ▶ **LANGUAGE TRAINING:**
- ▶ **English, 20 hours**, with Prof. Antochi Amalia and Ciocan Olivia
- ▶ **test and online course on the OLS platform (30 hours)**
- ▶ **Portuguese language, 10 hours: in Barcelos, Portugal.**

MOBILITY STREAM 1 – PAPHOS, CYPRUS 2-22 APRIL 2023

Host organization - P. Kousios Electrical Ltd, Cyprus

Practice tutor – Petros Kousios

The internship was carried out according to the Learning Agreement for CDL "Applied electronic circuits", structured on three large activities: "Special characteristics of the workplace", "Electronic circuits, characteristics" and "Design and realization of electronic circuits".

MOBILITY STREAM 1 – PAPHOS, CYPRUS 2-22 APRIL 2023

- ▶ The 15 students selected from Grades X B and X C completed 90 hours of practice in Paphos, Cyprus at P. Kousios Electrical Ltd
- ▶ The students went through several evaluation stages at the internship site: initial, intermediate (after 7 days) and final; they filled in the practice notebooks daily, they filled in the personal impression sheets daily and completed the three questionnaires (one initial - before departure, one intermediate, for feedback - after 7 days and one for the final feedback).

MOBILITY STREAM 1 – PAPHOS, CYPRUS 2-22 APRIL 2023

- The intermediary partner from Cyprus, Rivensco Consulting LTD, through its manager Michalis Papatherapontos, assured the participants:
- transfer from Larnaca Airport to Paphos and return
- accommodation and meals at Hotel Kissos, in Paphos (internet access, outdoor pool, indoor pool, conference room, table tennis, etc.)
- transport tickets on local buses for the movement of participants to and from the practice site or for walks in the city
- the 10-hour Greek language course
- tours in Limassol, in Nicosia
- access to touristic & cultural sights in Paphos and surroundings

MOBILITY STREAM 1 – PAPHOS, CYPRUS 2-22 APRIL 2023

Students in stream 1- Cyprus participated in a number of very attractive and impressive cultural and recreational activities:

Excursion to Limassol and stops at the Rocks of Aphrodite, the Temple of Apollo and the vast archaeological site near Limassol

Excursion to Nicosia (visiting the old town in the Cypriot area then the bazaar in the Turkish area of the capital)

Visiting the Fort of Paphos, located in the port

Visiting the archaeological site of Paphos with the famous mosaics

Visit to the "Tombs of the Kings"-Paphos

Mediterranean sand beach in Paphos and Coral Bay

Musical evenings organized in the hotel.

MOBILITY STREAM 1 – PAPHOS, CYPRUS 2-22 APRIL 2023

Results

The 15 students were appreciated with maximum marks in the practical classes and also successfully completed the Greek language course.

At the end of the mobility period, the students received:

Europass Mobility certificates

Certificates certifying participation in all project activities, including the Greek language course.

The score received by the students following the evaluation of the internship was equated and validated in the form of grades that are entered in the class catalogs at the corresponding CDL.

MOBILITY STREAM 2- BARCELOS, PORTUGAL 14 MAY-3 JUNE 2023

Host organization - Ferreiolux-Comércio e
Industria de Material Eléctrico, Lda, Barcelos,
Portugal

Practice tutor – Susana Ferreira

The internship took place according to the Learning Agreement for CDL "Electrical equipment-practical applications", structured on three large activities: "Special characteristics of the workplace", "Electrical measurements" and "Practical applications, electrical circuits, assemblies".

MOBILITY STREAM 2- BARCELOS, PORTUGAL 14 MAY-3 JUNE 2023

- The 15 students selected from the 10th D and 10th A vocational school classes, electrical profile, carried out 90 hours of practice in Barcelos at Ferreirólux-Comércio e Indústria de Material Eléctrico, Lda.
- The students went through several evaluation stages at the internship site: initial, intermediate (after 7 days) and final; they filled in the practice notebooks daily, they filled in the personal impression sheets daily and completed the three questionnaires (one initial - before departure, one intermediate, for feedback - after 7 days and one for the final feedback) and received appreciations maximum.

MOBILITY STREAM 2- BARCELOS, PORTUGAL 14 MAY-3 JUNE 2023

The intermediate partner from Barcelos, Associação Intercultural Amigos da Mobilidade, through its manager Nuno Varajão Barbosa, assured the participants:

- accommodation and meals in the Mobility Friends campus; the campus offered students facilities such as: internet, swimming pool, football field, volleyball field, mini-golf field, billiard room, fitness devices, conference room, canteen, barbecue area, disco room, etc.

- the transfer from the Madrid Airport to the campus upon arrival and from the campus to Porto upon departure;

- transport from the campus to and from the place of practice

4 excursions, with a guide

a trip to Barcelos,

they visited impressive cathedrals, castles and sanctuaries everywhere, admired the architecture of the buildings and cobbled streets in the old parts of the cities visited, bought souvenirs in the Barcelos market and took part in a cruise on the Douro River in Porto.

MOBILITY STREAM 2- BARCELOS, PORTUGAL 14 MAY-3 JUNE 2023

Results

At the end of the mobility period, Mobility Friends organized a celebration for the participants to award the related certificates; students received:

Europass Mobility certificates

Certificates of participation in all project activities

Certificate certifying the passing of the Portuguese language course

Personalized t-shirts with the association emblem, folders, pens, souvenirs in the form of the local symbol - the Rooster from Barcelos

On the last Friday night, a "Black and White" party was organized for the students and a social evening for the accompanying teachers.

THE ACTIVITY OF THE MANAGEMENT TEAM REGARDING THE DEPLOYMENT OF MOBILITIES

- Drawing up related operational procedures
 - Creation of Learning Agreements and Practice Notebooks for each individual stream
 - Drawing up financial contracts with student participants and accompanying teachers
 - Organizing meetings with parents to sign Contracts and Learning Agreements
 - Purchase of travel tickets, products intended for students with reduced opportunities, travel insurance and civil liability
 - Signing contracts with external partners
 - Monitoring of student activity, etc.
- 

SHARING THE MOBILITY EXPERIENCE IN THE INSTITUTION – RESULTS

Project websites, addresses: <https://psverasmus.vasilesav.ro/>

<https://www.vasilesav.ro/proiecte.html>

1 Facebook page dedicated to the project, with the address

<https://www.facebook.com/profile.php?id=100086894620036>

European corner + GREEN corner, on the project website

Roll-up project

30 Europass Mobility Certificates obtained by students, 34 Mobility Certificates (30 of students, 4 of accompanying teachers).

30 Certificates attesting to the training of student participants in high school

30 practice notebooks in the custody of the "Vasile Sav" Technological High School Library

SHARING THE MOBILITY EXPERIENCE IN THE INSTITUTION - RESULTS

1 project brochure

1 project logo, 30 leaflets, 2 flyers, 9 posters, 6 ppts

11 photo galleries, 2 films presenting internships - stream 1, stream 2), 2 films presenting cultural activity (stream 1, stream 2), 4 films monitoring students' activity abroad (2 streams each).

2 Google Classroom courses, one for each stream-

<https://classroom.google.com/c/NTU4MDA4NDEyMjkz?cjc=dcpbqn>
3 for stream 1 and

<https://classroom.google.com/c/NTU4MDA4ODA2NzYx?cjc=tjifdpe>
for stream 2.

SHARING THE MOBILITY EXPERIENCE IN THE INSTITUTION - RESULTS

- **4 workshops** at classes X B, X C, X D and X A vocational school, organized by the students participating in the project, in which they presented to their colleagues the activities carried out during the internships (parts and devices used, working methods used, etc.) - more June 2023.
- **4 presentations** of the mobility experience in other technical profile classes (X B, XC, X D, IX C) at the beginning of the 2023-2024 school year; Erasmus beneficiary students spoke to their colleagues about the practice carried out

SHARING THE MOBILITY EXPERIENCE IN THE INSTITUTION - RESULTS

- ✓ Presentations at meetings with parents and lectures with parents at the high school
- ✓ Presentations to the Teaching Council and the Administrative Council
- ✓ 1 project panel, in high school
- ✓ 1 Plan for integrating good practices from the "Steps towards the future with Erasmus+" project into the Management Plan of the high school
- ✓ 6 Operational Procedures for implementing projects and examples of good practices for CEAC

RESULTS SHARED WITH OTHER SCHOOLS/ INSTITUTIONS/ EXTERNAL PERSONS HIGH SCHOOL

- Dissemination within the Association of Mathematics Teachers from Roman and the area and within the Association of Teachers of Technical Subjects from Neamț County
- Publishing articles:
 - - 2 articles published in Ziarul de Roman
 - - 3 articles in the Apostolul de Neamț Magazine
 - - 1 article in the NA's monthly newsletter, ANwes-online magazine, in October 2023

SHARING THE RESULTS AT EUROPEAN LEVEL

- Organization of the Erasmus Caravan on the occasion of Erasmus Days 2023, during the week of October 9-14, 2023 - project participants visited 4 gymnasiums in the city based on 4 Collaboration Protocols; the purpose of the visits was to popularize the Erasmus experience, the results obtained by the participants. The students told their colleagues from the 8th grades of the 4 gymnasiums how they were selected, what training program they followed, how the internships went and what activities cultural events took place in mobilities. (<https://www.erasmusdays.eu/>)

SHARING THE RESULTS AT EUROPEAN LEVEL

- 1 project presentation article on the website independent.academia.edu/
- A brochure at <https://padlet.com/buhaiilenuta/proiecte-erasmus-la-liceul-tehnologic-vasile-sav-din-roman-j-zrjajwywb2g7123w>
- 30 student reports containing a summary of their mobility activities, a brief description of the acquired skills and experiences, posted by the students on the Beneficiary Module
